In Asia Pacific, we have more than 500 staff in our network of offices in the major financial and business centers, providing an integrated service throughout the region. Our lawyers provide dedicated counsel in the key practice areas and industry sectors (listed above), and they are qualified in Hong Kong and often in other international jurisdictions. In addition to English, most lawyers also speak and write Chinese (Putonghua and/or Cantonese), with office capabilities in a number of other Asian and European languages, such as Japanese, Vietnamese, Italian, French, and German. We have an in-house team of Chinese and Japanese translators as well as Chinese and Japanese documentation capabilities.

Our Washington, D.C. office has over 500 lawyers, and is distinguished by its industry depth and breadth of knowledge in issues facing regulated industries as well as its large and recognized corporate transactional and litigation practices. A large number of our lawyers have worked in the federal government, often at high levels. Since our clients' most difficult problems often cross borders, we work alongside our colleagues in our overseas offices to ensure that business decisions, litigation, and transactions are informed by up-to-date advice from experienced practitioners. Our clients include a who's who of local, national, and international companies, domestic and international financial institutions, and individuals.
